

## CLAIMS

16. A method for cosmetically augmenting the size of a human breast and for sustaining the augmented breast size, the method comprising applying cocoa butter to the breast so as to augment the size of the breast and applying Vitamin E to the breast so as to sustain the augmented breast size.

17. A method as claimed in claim 1, wherein the cocoa butter is applied in an amount sufficient to achieve the desired augmentation of the breast and the Vitamin E is applied in an amount sufficient to sustain the desired augmented breast size.

18. A method as claimed in claim 1, wherein the cocoa butter and Vitamin E are simultaneously applied to the breast.

19. A method as claimed in claim 1, wherein the cocoa butter is first applied to the breast, and the Vitamin E is applied subsequently.

20. A method as claimed in any preceding claim, wherein the proportion of cocoa butter to Vitamin E is 18:1.

21. A method as claimed in any preceding claim, wherein 7g of cocoa butter and 400mg of Vitamin E are applied to the breast.

22. The use of cocoa butter and Vitamin E for cosmetically augmenting the size of a human breast and for sustaining the augmented breast size.

23. The use as claimed in claim 22, wherein the proportion of cocoa butter to Vitamin E is 18:1.

24. The use of cocoa butter and Vitamin E for the manufacture of a composition for cosmetically augmenting the breast size of a human and for sustaining the augmented breast size.
